

## Pastor's Report

Tall Pines Festival will be held in Henderson at the Rusk County Expo on Friday and Saturday, October 30-31. This event is focused on reaching people for Christ. Both days are filled with activities and special events in the evenings. If you are interested in helping (children events, ushering, being a counselor, parking cars, etc) contact Frank Lane or me. In connection with Tall Pines there will be a Women's Event. This event will be in our Worship Center on Tuesday, October 26. Special guest will be Kim Bolton from Nashville, Tenn. She combines outrageous humor with her singing and speaking ability.

The purpose of Calvary Baptist Church is to *Glorify God and Minister in Love*. We carry out this purpose by **proclaiming God's Word**. This is done through our Bible classes and from our pulpit. That is why corporate Bible study and worship services are important.

## Kid's Korner

### Family: Moments

This past Sunday we began our new chapels for the 3 year old through the 3<sup>rd</sup> grade. Both were full and the kids had a great time! Great things are happening in the children's ministry due to the wonderful hearts of those that give their time and talents to this very important ministry.

A resource can be defined as a source of supply or support. Another definition is having the tools needed to handle a difficult situation. Sunday, your children received some resources to equip them to meet the needs of the Christian life. These resources, "Small Talk" for the 3 year - Kindergarten and "God Time" cards for the 1<sup>st</sup> - 3<sup>rd</sup>, are meant to help your children on their Christian journey. Please take time each day to sit down with your children and talk to them about what they learned by using these tools. Remember, the right tools make all the difference.
