Everyone meets in the Worship Center at 6:00 p.m. At 6:15, we will dismiss to small Bible study groups. The study will include seven people who changed their world. These seven Bible characters are found in the Old Testament.

In the month of March we'll be starting a class on finances. Subjects will cover "getting out of debt and how to set financial goals." I would like to give a heartfelt thanks to my Calvary Baptist Church family for all of the prayers and support so willingly provided during my unexpected surgery and recovery the week of January 15th. A special note of thanks to Keith and Paulette Taylor and Raymond and Ellen Akin Lee for bringing meals to me and my family while I was recovering. Psalm 31:23 - "O love the Lord, all ye His saints: for the Lord preserveth the faithful, and plentifully rewardeth the proud doer."

We want to thank you for all the cards, calls, and prayers. Words cannot express how much this out pouring of love means to us. Please continue to pray.

Kids Korner

The past few months have been exciting in the children's ministry! We have seen a lot of growth (especially in the nurseries). With that growth, comes two things. First, the need for more hands that are ready to serve. If you have a child in any of the ages from 0-5th grade, you should be serving in some way in the children's department. If you need help or guidance on where may be the best fit for you, talk with me and we can work to find your special place. Second, with more children comes more allergies and special needs. If your child has an allergy or special need, please make sure that you let the worker or volunteer know so that we can do all we can to make sure your child's time with us is safe and comfortable.

This Sunday we will begin our K.I.D. (Kids in Discipleship) training class. The purpose of this class is to guide kids through their first steps after they become a Christian. Success in this class depends on parents doing the short daily "homework" with their children. You as a parent are integral in your children growing and learning their faith. So, take time each day to talk to your child about what he is learning. If you have questions about this class, please feel free to call me or come by and talk with me.

We have already had a good response to the need for houses for DNOW. We still need several houses and we will be seeking volunteers to assist with transportation and different needs in the near future.

Starting on February 19th we will be sending teams of members from Calvary into our neighborhoods to try and win people to Christ and also to draw people to Calvary. I ask that you pray for these teams even as they are being formed. Pray for the lost souls that need to be visited by these groups and that the Spirit would go ahead of us convicting of sin and preparing hearts for repentance and renewal.

If you are interested in being a part of one of these outreach teams contact me through the church office. I will be forming these teams in the next few weeks and we will be doing some training to prepare ourselves to serve Christ and our church in our communities.

In Christ,
Bro. Jason
